INNOVATION IN SAFETY AND RISK MANAGEMENT

WHY INCORPORATE RAPID TESTING INTO OFFICES, VENUES, MEETINGS AND EVENTS

- 15 min test
- Low cost
- Easy to use
- Non-invasive technology
- TGA approved
- Highest quality in detection
- Custom testing room fitouts
- No bacterial waste
- Administered by our team of AHPRA registered health professionals to meet Government testing and safety requirements

- Peace of mind that you are working in a safe environment.
- Minimise exposure to COVID-19 for your staff and guests.
- Create an interactive stylised testing area as part of your venue.
- Immediately identify a person infected with COVID-19 and arrange immediate isolation and professional transport home or to hospital.
- Servicing east coast of Australia, restrictions pending
- The testing kits are a screening test with a sensitivity/accuracy of 90% and specificity of 98.6%. Frequency of testing enables results closer to 100% accuracy.

LOGISTICS AND TIMINGS

- ✓ **The Rapid Covid-19 testing takes approximately 20 mins and is conducted in a customised mobile testing suite. This secure space can be created outside any office or venue to test your staff or guests prior to accessing the building.**
- ✓ 2 mins to register and 2 mins to hold the pen in mouth, then 15 mins for the test to process and deliver a result.
- ✓ **We suggest that all guest arrivals are staggered to minimise wait time.**
- ✓ All guests must arrive wearing a mask until they receive a negative test and they have exited the testing room.
- ✓ **One registered nurse can supervise any number of test administrators once they have completed the online induction and training.**
- ✓ Visions in Style have the capacity to design and supply a range of stylish and hygienic furniture and production elements to create a comfortable environment for the testing areas that are aesthetically pleasing and do not look like a medical centre waiting room .
- ✓ **Our professional team of administrators are dedicated to providing a safe and seamless experience throughout the testing.**
